

“Castaway” MOLDS

~ built by artisans for artisans ~

PROVEN - “Castaway” molds are specifically made for glass casting and have been extensively tested by professional artisans.

DURABLE - “Castaway” molds are developed and tested by professional glass artisans that produce and sell glass castings. These molds are currently in use by production artisans and have proven to last for well over 100 firings.

VARIETY - Almost 100 different designs, ranging from miniature elements and jewelry cabochons up to paperweight and larger castings, are already available with new designs being introduced every few weeks.

INSTRUCTIONS - Each mold comes with detailed instructions including firing schedules for using “Castaway” Casting Molds
